The following prices are effective from Wednesday 12/25/19 at 12:01 am Eastern Time until midnight Tuesday 12/31/19. Due to the Federal Government closure on December 24, 2019 this news release occurs at 8:00 am on the following business day after the Christmas holiday.

The next announcement is scheduled for Tuesday 12/31/19 at 3:00 pm Eastern Time.

- \* \$416.70 per ton for Spanish peanuts
- \* \$430.94 per ton for Valencia peanuts
- \* \$430.94 per ton for Virginia peanuts

These NPP are based on the corrected loan rates for 2019-crop peanuts announced on October 10, 2019.

These prices are used to determine alternative loan repayment rates for marketing assistance loans and to determine loan deficiency payments. The NASS publishes estimates of the average prices received by farmers for peanuts each week. These reports can be accessed at the following website:
