REQUEST FOR DIRECT LOAN ASSISTANCE

FSA suggests applicants use the available corresponding instructions for the proper completion of this form. Assistance is also available from your local FSA office for any part of the application process. FSA can provide assistance in completing requested forms, explain what information is necessary, and answer any questions regarding the application process.

Farm Loan Teams located at FSA County Offices are responsible for all direct loan applications. You can find the address and telephone number of the nearest Farm Loan Team serving the County where you plan to farm from the Internet at www.farmers.gov/service-center-locator.

Race, ethnicity, and gender information is requested by the Federal Government to monitor FSA's compliance with Federal laws prohibiting discrimination against applicants. Applicants are not required to furnish this information but are encouraged to do so. Failure to provide this information may result in not receiving targeted funds for which the applicant may be eligible. One or more boxes may be selected for race. This information will not be used to evaluate the application.

IMPORTANT NOTICE

Within 7 calendar days of the date FSA receives your application, FSA will send you a letter that will tell you if your application is complete, or additional information is needed to complete your loan application. Incomplete applications cannot be processed. If you do not receive this letter within 7 days of the submission of your application, please contact your local FSA office.

APPLICANT IDENTIFICATION

The loan application must be submitted in the name of the **ACTUAL OPERATOR** of the farm or ranch. This information is entered by all applicants in "**Part A – Primary Applicant/Farm Operator**."

Once you have identified the farm operator, proper guidance for completing this form can be found in the table under Part A on Page 1.

LOAN INFORMATION

The Farm Service Agency offers loans to help farmers and ranchers get the financing they need to start, expand, or maintain a family farm. You are encouraged to reach out to your local FSA County Office Farm Loan Team and discuss all the possible financing options available to you. FSA also publishes Fact Sheets outlining available Farm Loan Programs. They contain detailed information about loan limits, eligibility, and the terms of each loan type. They are available for viewing on-line at https://www.fsa.usda.gov/news-room/fact-sheets/index.

This application will allow submission for MOST loan types. Page 12 contains a checklist of the additional items needed for a complete application. A brief description of the loan types can be found below:

FARM OWNERSHIP LOANS - Can be used to: Purchase a farm; Enlarge or Improve an existing one; Construct new farm buildings; Improve existing farm buildings; Pay closing costs; and Implement soil and water conservation and protection practices. These have an aggregate limit of \$600,000 per borrower.

FARM OPERATING LOANS - Can be used for: Initial start-up expenses; Annual input costs; Family living expenses; Purchase of equipment, livestock, and other materials essential to farm operations; Minor farm improvements such as wells and coolers; Hoop houses; Essential tools; Irrigation; and Delivery vehicles. These have an aggregate limit of \$400,000 per borrower.

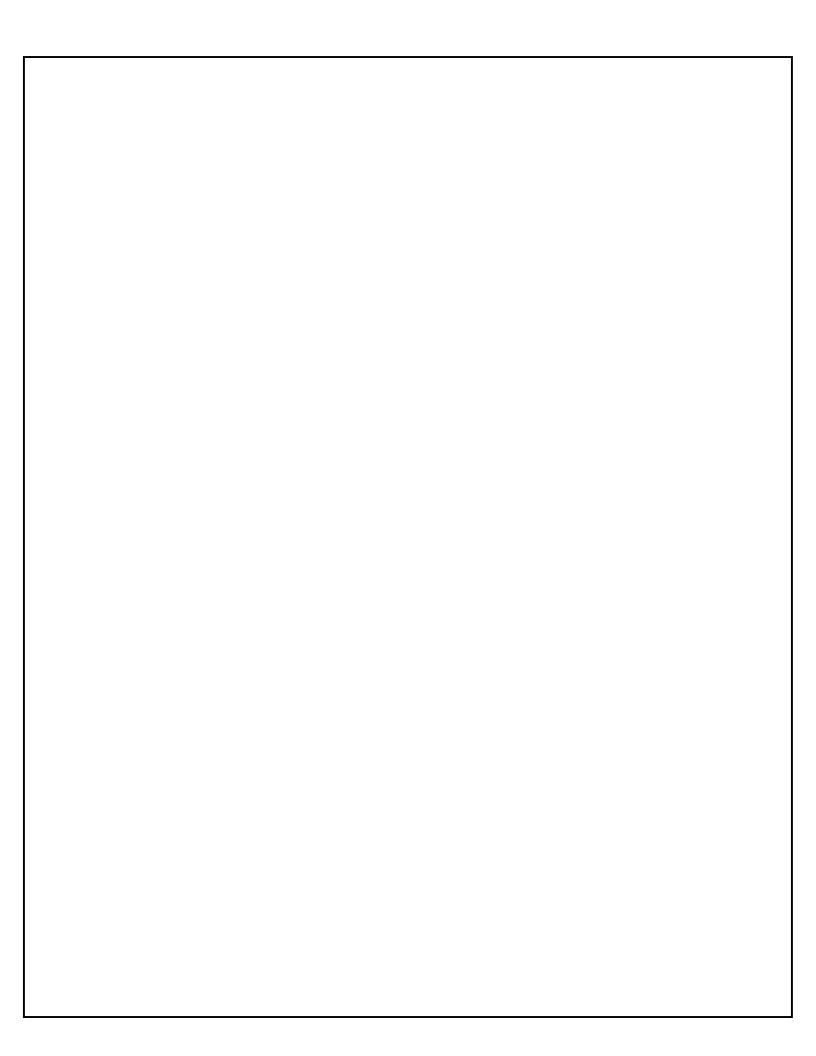

MICROLOANS - These are FSA's smallest loans and represent aggregate balances under \$50,000 per loan type, per borrower. Consistent with a lower loan amount, this loan type requires less documentation and is a simplified process. Microloans can be made for either Farm Ownership purposes or Operating purposes.

EMERGENCY LOANS - These loans are to help producers recover from production and physical losses due to drought, flooding, other natural disasters, or quarantine. Emergency (EM) loans may be used to: Restore or replace essential property; Pay all or part of production costs associated with the disaster year; Pay essential family living expenses; Reorganize the farming operation; and Refinance certain debts. These have an aggregate limit of \$500,000 per borrower.

LOAN SERVICING APPLICANTS ONLY

This application is used by distressed or delinquent Farm Loan borrowers to request Primary Loan Servicing. It is also used by existing borrowers and potential new customers to request a Transfer and Assumption servicing action. Borrowers may also use this application to request Shared Appreciation Amortization.

PART J - NOTIFICATIONS, DISCLOSURES & ACKNOWLEDGEMENT

1. SPECIAL PROGRAM INFORMATION:

Certain FSA programs are, by law, designed to reach targeted applicants. If you are interested in any of the programs described here, or have questions about these programs and whether you may qualify for a specific program, the FSA office processing your application will help you.

- A. SOCIALLY DISADVANTAGED APPLICANTS: A portion of FSA farm ownership, operating, and conservation loan funds are, by law, targeted to applicants who have been subjected to racial, ethnic or gender prejudice because of their identity as a member of a group, without regard to individual qualities. Under the applicable law, groups meeting this condition are: American Indians/Alaskan Natives, Asians, Blacks or African Americans, Native Hawaiians/Other Pacific Islanders, Hispanics and women. In addition, FSA has a down payment program, which receives special funding.
- **B. BEGINNING FARMER ASSISTANCE:** FSA has the authority to assist beginning farmers through the farm ownership, operating, and conservation loan programs. A portion of FSA farm ownership, operating, and conservation loan funds are, by law, targeted to beginning farmers. In addition, FSA has a down payment program, which receives special funding. In some states, FSA has agreements with State beginning farmer programs to help meet the credit needs of beginning farmers.
- **C. LIMITED RESOURCE LOANS**: Limited resource farm ownership and operating loans are available to qualified applicants. This program provides loans at reduced interest rates to low-income farmers whose operations and resources are so limited that they cannot pay the regular rates for FSA loans. The program is also intended to provide beginning farmers the opportunity to start a successful farming operation.

2. RIGHTS AND POLICIES:

- A. RIGHT TO FINANCIAL PRIVACY ACT OF 1978 (Public Law 95-630): FSA has a right of access to financial records held by financial institutions in connection with providing assistance to you as well as collecting on loans made to you or guaranteed by the Government. Financial records involving your transaction will be available to FSA without further notice or authorization but will not be disclosed or released by this institution to another Government Agency or Department without your consent except as required by law.
- B. THE FEDERAL EQUAL CREDIT OPPORTUNITY ACT: Prohibits creditors from discriminating against applicants on the basis of race, color, religion, sex, national origin, marital status, age (provided the applicant has the capacity to enter into a binding contract), because all or a part of the applicant's income derives from any public assistance program, or because the applicant has in good faith exercised any right under the Consumer Credit Protection Act.
- C. FEDERAL COLLECTION POLICIES: Delinquencies, defaults, foreclosures and abuses of mortgage loans involving programs of the Federal Government can be costly and detrimental to your credit, now and in the future. The mortgage lender in this transaction, its agents and assigns as well as the Federal Government, its agencies, agents and assigns, are authorized to take any and all of the following actions in the event loan payments become delinquent on the mortgaged loan described in the attached application: (1) Report your name and account information to a credit bureau; (2) Assess additional interest and penalty charges for the period of time that payment is not made; (3) Assess charges to cover additional administrative costs incurred by the Government to service your account; (4) Offset amounts owed to you under other Federal programs; (5) Refer your account to a private attorney, collection agency or mortgage servicing agency to collect the amount due, foreclose the mortgage, sell the property and seek judgment against you for any deficiency; (6) Refer your salary, or civil service retirement benefits; (8) Refer your debt to the Department of the Treasury for cross-servicing and offset against any amount owed to you by any Federal Agency such as an income tax refund; and (9) Report any resulting written-off debt to the Internal Revenue Service as taxable income. All of these actions can and will be used to recover debts owed to the Federal Government when in its best interests.

3. RESTRICTIONS AND DISCLOSURE OF LOBBYING ACTIVITIES:

A. The applicant:

- (1) Certifies that if any funds, by or on behalf of the applicant, have been or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant or Federal loan, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, or loan, the applicant shall complete and submit Standard Form LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.
- (2) Shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including contracts, subcontracts, and subgrants, under grants and loans) and that all subrecipients shall certify and disclose accordingly.
- **B.** This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this statement is a prerequisite for making or entering into this transaction. Any person who fails to file the required statement shall be subject to a civil penalty imposed by 31 U.S.C. 1352.

Date:

FSA-2001(09-25-24)

4. CONTROLLED SUBSTANCES:

The applicant certifies that as an individual, or any member of an entity applicant, has not been convicted under Federal or State law of planting, cultivating, growing, producing, harvesting, or storing a controlled substance within the previous 5 crop years. See the Food Security Act of 1985 (Public Law 99-198). The applicant also certifies that as an individual, or any member of an entity applicant, is not ineligible for Federal benefits based on a conviction for the distribution of controlled substances or any offense involving the possession of a controlled substance under 21 U.S.C. § 862.

5. DISQUALIFICATION DUE TO FEDERAL CROP INSURANCE FRAUD:

The applicant certifies that as an individual or any member of the entity, has not been disqualified for Federal benefits as provided in Section 515(h) of the Federal Crop Insurance Act (FCIA). Applicants who willfully and intentionally provide false or inaccurate information to the Federal Crop Insurance Corporation (FCIC) or to an approved insurance provider with respect to a policy or plan of FCIC insurance, after notice and an opportunity for a hearing on the record, will be subject to one or more of the sanctions described in Section 515(h)(3) of FCIA.

6. TEST FOR CREDIT:

The applicant, and all entity members in the case of an entity, certifies that they are unable to obtain sufficient credit elsewhere to finance actual needs at reasonable rates and terms.

7. LOAN SERVICING:

By checking the box for Loan Servicing in Part E, applicant certifies that they wish to apply for all servicing programs available.

8. ECOA - RIGHT TO RECEIVE APPRAISAL:

As part of the assistance provided by FSA, an appraisal report or written real estate valuation may be required to determine the value of the property you intend to pledge as security. If FSA orders an appraisal or completes a written real estate valuation, you will receive a copy at no cost. You will receive a copy at least three business days prior to the closing of your loan or servicing action. On occasion, the three-day waiting period could cause a delay in loan closing. If you so choose, you have a right to waive this waiting period and a copy will be provided to you no later than the time of loan closing.

9. PERMISSION TO FILE FINANCING STATEMENT, ORDER A CREDIT REPORT, AND VERIFY CREDIT INFORMATION:

Under the Uniform Commercial Code, you do not have to sign the financing statement which allows FSA to obtain a security interest in your property. If the loan is approved and funded, FSA will file a financing statement at the earliest possible date, before you enter into a SECURITY AGREEMENT. BY SIGNING BELOW, I GIVE FSA PERMISSION TO FILE A FINANCING STATEMENT PRIOR TO THE EXECUTION OF THE SECURITY AGREEMENT AS WELL AS TO FILE AMENDMENTS AND CONTINUATIONS OF THE FINANCING STATEMENT THEREAFTER. I FURTHER AUTHORIZE FSA TO ORDER A CREDIT REPORT AND VERIFY ANY OTHER CREDIT INFORMATION. I ALSO UNDERSTAND THAT FINANCIAL RECORDS INVOLVING THE LOAN AND LOAN APPLICATION WILL BE AVAILABLE TO FSA WITHOUT FURTHER NOTICE OR AUTHORIZATION, BUT WILL NOT BE DISCLOSED OR RELEASED BY FSA TO ANOTHER GOVERNMENT AGENCY OR DEPARTMENT OR USED FOR ANOTHER PURPOSE WITHOUT MY CONSENT EXCEPT AS REQUIRED OR PERMITTED BY LAW.

10. CERTIFICATION:

I certify that the information provided is true, complete, and correct to the best of my knowledge and is provided in good faith to obtain a loan. (WARNING: Section 1001 of Title 18, United States Code, provides for criminal penalties to those who provide false statements to the Government. If any information is found to be false or incomplete, such finding may be grounds for denial of the requested action).
